TO THE PUBLIC

Of the United States. A N advertisement of Mr. UDOLPHO WOLFE, lately published, as I suppose, intended for the protection of his Muslins, &c., &c.; and persons wishing any thing in this way will do well to give us a call.

R. C. McNAIRY & CO. Schiedam Schnapps against counterfeiters, has come under my observation, and being engaged in the manufacture of Schledam Schnapps, were I to let it pass without notice through this medium, I might be considered among those he denominates "Pirates and Venders of Poison;" but sense patronage and success that has attended the sale of the article manufactured by me, and the opinion of competent judges as to its qualities as a beverage and its medicinal virtues, precludes the possibility of the idea that medicinal virtues, precindes the possibility of the idea that I am included among those he designs to impugn. No doubt he feels aggrieved at the depreciation of the sale of his Schnapps, which is manifest to all, since mine has been brought into competing with him in quality, but the constant and increasing demand for my article, has enabled me to furnish it at a less price than he can, or does—say \$2 in the dozen. And, furthermore, he will soon become satisfied that his cau tion to the citizens of the "Southern and Western States" will avail him nothing as far as I am concerned, for the character of my Schiedam Schnapps is too well established in those States, to be injured by any such invidious publication. The motive of his advertisement is obvious to every one, and feeling well satisfied that all such missiles thrown at me by him will fall harmless at my feet, I will here, for the satisfaction of the public, publish a copy of my Patent Right, entered in the Southern District of New York, on the 25th of December, 1854:

(Copy of Patent Right.) SOUTHURN DISTRICT OF NEW YORK, S.S. Be it remembered, That on the twenty-eighth day of De-cember, Anno Domini, 1854, Harnard L. Simpson, of the said District, hath deposited in this office the title of a print or label, the title of which is in the words following, to wit: "Barnard L. Simpson's Aromatic Schiedam Juniper Schnapps, a superior Tonic, Anti-Dispeptic Invigorating Cordial," the right whereof be claims as author and proprietor, in conformity with an act of Congress, entitled "An Act to amend the several Acts respecting copy rights."

GEO. W. MORTON,

Clerk of the Southern District of New York. And I take pleasure on this occasion to tender my sincere thanks to the public in general, and to my friends in particular, for the kind liberality with which they have patron zed me from my commencement of this enterprise; and I assure them that I shall continue to provide them always with a genuine and superior article of Schiedam Schnappe. BARNARD L. SIMPSON.

BARNARD L. SIMPSON'S AROMATIC SCHIEDAM JUNIPER SCHNAPPS. A Superior Tonic, anti-Dyspeptic Invig. orating Cordial.

FT is a lamentable truth that, with few exceptions, every I article of food we eat, every article of drink we imbibe, is more or less adulterated; and in nothing has adulteration been practiced to such an extent as in spiritous, vinous and fermented liquors. So much so, in fact, that it is impossible to precure pure liquors and wines unless obtained direct from a bond fide importer, of known reputation, and well established foreign connections. It is owing to the corresive, inflammatory and poisonous properties of the liquors sold generally in this country, that raceful, beastial intextication is so frequent, that the islatures of several of the States have taken the matter

in hand, and prohibited the sale of spirituous or fermented liquors as common beverages.

Were all liquors sold pure and unadulterated, we should Were all inquers soil put few restrictions on their sale.

Biotched faces, paised limbs, swellen flesh, and that fearful disease, delirium tremens, are produced, not by pure liquors, but by the infatuated habit of indulging in the corrosive

poisons sold under that designation. . SIMPSON'S AROMATIC SCHIEDAM JUNIPER SCHNAPPS Are manufactured exclusively at Schledam, in Holland, sc-cording to the directions of old established distilling houses in New York and New Orleans, expressly for medicinal purposes, and are entitled to high consideration. No other medicinal beverage, at present in use in the United States

or in Europe, possesses such salutary and efficacious prothe medicines ever heard of.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no Humbug about it. The press, hotel beepers, magistrates, physicians, and public men, well known to the community, all add their testiment to the wonderful cures this truly greatest of all medicines has performed.

None genuine unless signed HENNETT & BEERS, Propriesson's Areutaile Judiper Schnapps will have the title of the Medicinal Cordini embossed on the siles of the bottle of Bank Notes.

The large number of certificates which we have received the street is to the propriet of the Kidneys, Bladder and Urinary Organs, as well as in the peculiar discassed incidental to females, their effect is so prompt and decided that they have excited the astonishment of medical men, and elicited expressions of the most unbounded gratitude from the patients to the proprietor.

Agents and private purchasers are cautioned to guard against the compounds of unscrupulous imitators. Simpless of the Medicinal Cordini embossed on the siles of the bottle of the Medicinal Cordini embossed on the siles of the bottle of Bank Notes.

The lube' on each bettle, which has been duly entered in the United States District Court, and consequently protected from imitation by the penalties of a law of Congress, is in the three principal living languages—English, French and German, and pamphlets in those languages, descriptive of the merits of this health-invigorating beverage, can always be had at the Agents. J. WRIGHT & CO., Agents, No. 151 Chartres street, New Orioans.

As parties manufacturing a bogus article of Schnapps may endeavor to persuade the public that BARNARD L. BIMPSON, the proprieter of the genuine Aromatic Schiedam Juniper Schnapps, is not a bons, fide direct importer, he wishes to be understood that the most unquestionable proof of the fact can be furnished by the most unquestionable proof of the fact can be furnished by the most eminent importing merchants in New Orleans.

FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bow els. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruc tion or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the com plaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languer and Loss of Appetite, Listlessness, Irritability, Bilious Headache Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient they afford prompt and sure relief in Cos tiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly cessful cures in Rheamatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, reno vate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but suggest themselves to the reason of every body; and it is confidently believed this pill wil answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions see wrapper on the Box. PREPARED BY JAMES C. AYER, Practical and Analytical Chemist, LOWELL, MASS. Price 25 Cents per Box. Five Boxes for S1.

AYER'S CHERRY PECTORAL, For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND

CONSUMPTION.

This remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evi-dences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures, that almost every section of the country abounds in persons publicly known, who have been restored from slarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the polynonary organs which are incident to our climate. And not only in formidable at-tacks upon the langs, but for the milder varieties of Colus, Couous, Hoassenses, &c.; and for Children it is the pleasantest and safest medicine

that can be obtained. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the test that it ever has been, and that the genuine article is sold by -BERRY & DEMOVILLE, Wholesale, Nashville, and Retail by BROWN & GRUDES, Nashville; and sold by all dealers to medicine in every town in Tennessee.
